

SCHOOL PICNIC AT ELDORA PARK WAS HUGE SUCCESS

If there is any one day in the year that appeals to the heart of the average Charleroi school boy or girl, it is School Picnic day at Eldora Park. This event is looked forward to and hailed with delight after nine months of hard study and final examinations. Yesterday was the third annual event pulled off for the Charleroi public schools by the merchants and business men of Charleroi and if anything the crowning event in that direction. The day was an ideal one for a picnic and the committees in charge had everything almost perfect. Each child was given a free ride on the merry-go-round and roller coaster. There were refreshments in abundance.

Among the sports the spelling contest excited much interest. Miss Helen Greeley and Miss Edith Grille being the last two to stand up together out of a class of some 30. The races were the features of the day. Each and everyone proved most interesting and some good records were made. In the blindfolded race a boy was hurt at the start off by a fall, and it was declared off by a fall, and it was substituted instead. For comedy that can not be beaten on the

Keith and Procter circuit, the bun contest by the boys was the star event.

The winners of the different events follow:

Boy's 100 Yard Dash, 1st prize \$1.00, 2nd prize 50c. Won by James Jones, second, William Mahoney.

Boy's Sack Race, First prize 75c, second prize 50c, won by James Gass; 2nd Richard Gass.

ANOTHER ARREST FOR SELLING BEER

Uniontown, May 28.—County Detective Alex. McBeth has made information against Andy Aundros and George Comp charging them with the illegal sale of liquor in Fayette county. It is alleged that the two men operate a ferry boat at Brunsville and that they represent the Moose Brewing Company in Washington county, and that they have been disposing of goods in Fayette county without a license. The action is similar to the one brought against the agents of the Fairmont Brewing company.

UMPIRE GIBBS MOBBED

Clarksburg, W. Va. May 28.—Umpire Gibbs was mobbed and assaulted by a crowd of fans angered over what they claimed was a rank decision at the close of a wrangling contest between Charleroi and Clarksburg baseball fans at Union park. The angry one gathered at the gate as the crowd filed out and when Gibbs came out a number jumped upon him, one man striking him a severe blow in the face. Gibbs ran to a waiting street car not far distant, while the mob surged around and showered him with blows. When he got to the street car Deputy Sheriff Jack Nox took charge of him, and standing between the umpire and the mob, warding off further assaults. Gibbs was painfully but not seriously hurt. There was a panic among the crowd which included many women when the mobbing took place, but none was injured. The decision that angered the spectators was made in the fifth inning. F. Dawson hit into right, his brother sacrificed him to a foul and McAvoys knocked out the pitcher, who pegged to third to get F. Dawson. Third baseman dropped the ball and the umpire declared the runner out, but fans howled that he was safe by a mile. The crowd surged out into the diamond, and after a protracted wrangle in which McAvoys was ordered from the game, playing was resumed. Bob Conaway got to first on an error and the anger of the crowd increased. In the first errors and two bases on balls resulted in five runs. Another was added in the sixth. Nally hit for two bases and scored on a hit by William Clarksburg scored twice in the second on hard hits and good base running. In the fourth they added two more in the same way. In the fifth McIlvaine was released by Humphries. Score:

With the Charleroi baseball team, which arrived here for the purpose of giving the Moguls a merry chase on the diamond at Union park Wednesday, Thursday and Friday, are Harry Zelliers, secretary and treasurer, and John Schreyer and Henry Swickey, directors of the Cherubs' club. They are genial whole souled gentlemen and have about as much baseball enthusiasm as any fifteen ordinary sports. Just to show how they like the national game all three tre the horseshide from the league ball in the presence of a Telegram representative this afternoon and ate the stuffing, with much relish.—Clarksburg Telegram.

LAW MUST BE INTERPRETED

Justices of the Peace Have Been Allowing Jurors \$2.50 Per Day

CASE NOW IN COURT

A recent act of assembly that is causing much trouble among the justices of the peace in the county and one that will likely reach the courts for decision is that of allowing jurors \$2.50 per day and witnesses \$1.50 per day. The act which was passed June 1907, reads as follows:

"That from and after the first day of July, A. D. 1907, the pay of jurors in this commonwealth shall be \$2.50 and the pay of witnesses shall be \$1.50 and per diem together with mileage as it is now provided for by law."

Many of the justices in the county have construed this law as referring to the holding of jury trials before them and as a result have been paying their jurors when a jury trial is held \$2.50 per day and their witnesses \$1.00 per day. Recently the question arose as to whether this was legal. A case from Monongahela is now before the public and it is expected that it will be fought through, with the intention of finding whether it is legal for the justices to allow their jurymen that amount for the day. Heretofore the justices have been allowing the jurymen \$1 per day and the witnesses 50 cents per day.

The matter has been referred to the courts and County Solicitor Brownson will be called upon to give his opinion on the matter.

It is believed by many who are well posted on the point of law that the justices have been overstepping their bounds in allowing the \$2.50 per day and it is thought that Solicitor Brownson will report that the jurymen of all justices and aldermen shall receive \$1 per day and witnesses at 50 cents per day. It is understood that the pay of jurymen and witnesses in a trial before justices and aldermen is adjusted under a special act which applies to this county and that the recent act of assembly allowing the \$2.50 per day is a general law.

Twelve physicians of Belle Vernon, Charleroi, Monessen and Fayette City were Wednesday evening elected to the staff of the Miners and Mill Workers General Hospital of the Monongahela Valley. The hospital is to be built on a site already selected in Belle Vernon, and maintained by the workers of the valley. The staff, as elected consists of three physicians from Charleroi, five from Belle Vernon three from Monessen and one from Fayette City as follows: Drs. N. B. Lowman, G. E. Nickel, G. T. Crossbie, A. J. Marston and J. W. Gordon of Belle Vernon; O. J. Kregar, A. R. Wilson and H. W. Day, Monessen; J. C. Enos, H. J. Repman and Edwin McKay, Charleroi; G. F. Tucker, Fayette City.

Dr. H. C. Daly of Gibsonton is president of the association; Dr. H. J. Kepman of Charleroi, vice president; Dr. E. C. Phillip, secretary, and J. B. Cunningham, treasurer.

Plans for the hospital will be prepared by Edward J. Carlisle of Pittsburgh. Dr. B. Lowman, Dr. H. J. Repman, Dr. G. E. Nickel, F. H. Steen and William Kelly were appointed as a committee to visit other hospitals in Western Pennsylvania.

Plans are to be made for a 100-bed hospital, arranged in two wings. A building sufficient to accommodate only half that number will be erected at this time. The site is 180x220. Ground will be broken inside of two months.

JURY FINDS VERDICT FOR LAZZARI IN \$2,000 SUIT

The jury in the Daniel Lazzari case an action to recover a \$2,000 promissory note, agreed on a verdict this morning after an all-night session, which was opened in court at 9:00 o'clock this morning. The jury retired yesterday afternoon and was unable to reach an agreement until an early hour this morning, when they found in favor of Mr. Lazzari, who was the defendant in the case. The finding of the jury were at once telephoned to Mr. Lazzari, and he was the recipient of many congratulations on the part of friends in this city. The history of the case has been told, referring as it does to the existence of a note for \$2,000, which Mr. Lazzari alleged was a forgery. He brought an action against Daniel on this charge, but the jury did not con-

vict the man. Daniel then brought suit against Lazzari to recover the face of the note, with interest. The case went to trial Monday afternoon, and occupied the attention of the court until yesterday afternoon, when it was given to the jury.

The result of the suit not only gratifies Mr. Lazzari, but his many friends in this city, who have known him as honorable in all his dealings. Mr. Lazzari has been in business in this city for several years, both as a wholesale and retail grocer, and as a hotel keeper, in which he has established a reputation for honorable and fair dealing, and his friends were loath to believe any such charge as was brought against him. The verdict of the jury, therefore, gives them such satisfaction.

POLITENESS PAYS \$3,000 REWARD

Greensburg, Pa., May 28.—Charles Thomas, 10 years ago a policeman here, has received word that a wealthy Westerner has left him \$3000.

In October, 1898, Thomas, on night duty as an officer, was called to the Pennsylvania station to arrest a cowboy who had run amuck on a passenger train. Thomas disarmed the man and locked him up. Both men were Knights of Pythias and the prisoner was accorded considerable treatment. The next day the cowboy was discharged.

John Farley was the Westerner, and he never forgot the kindness of the Greensburg officer. Today there came a letter from Guthrie, Okla., announcing the death of Farley and the fact that he had left a legacy to the Greensburg man. Thomas will invest the money in a truck farm.

PATRIOTIC SULLIVAN'S SOUND SENTIMENTS

McKeesport, May 29.—The custom of making patriotic parades vehicles for advertising purposes has been dealt a knockout blow by the American Veterans of Foreign service of McKeesport.

The veterans will not be followed nor led by an individual carrying a banner proclaiming the virtues of a certain brand of soap nor telling where the cheapest meal in the city can be obtained.

"It is an insult to the men who fought for their country," declare James Sullivan, one of the veterans, "and if I discover any advertising banner being carried in the Memorial day parade I will promptly destroy it."

"Some persons would carry advertising banners after a funeral. The newspaper's are the only legitimate advertising concerns. The advertising banners have got to be eliminated from our patriotic parades."

SCHOOL BOARDS MAY HAVE TROUBLE ORGANIZING FIRST OF JUNE

That some trouble will be experienced in the organization of the school boards the first Monday in June is made evident by the fact that a number of school directors in various parts of the county have not as yet filed any expense account. It is understood that in some sections where the election of school directors was very warmly contested some trouble may arise. The law in reference to the filing of the expense account, which is taken from section seven of the act of 1906 is as follows:

"It shall be unlawful to administer the oath of office to any person elected to any public office until he has filed an account as required by this act and no person shall enter upon the duties of his office until he has filed such account nor shall he receive any salary for any period prior to the filing of the same."

This act further says that the account must include all expenditures of money or any other valuable thing in the furtherance of the nomination for the defeat of the other candidate. The account must be filed within 30 days after the election. A detailed statement must be filed where the amount exceeds \$50.

It is believed by some that the failure to file the account will not cut much figure in most of the boards as the directors will be seated without any opposition. Last year a similar case from Deemston borough was fought out in the courts. The men filed their accounts long after the 30 days were up or after they found that their seats would be contested on those grounds. The decision was in favor of the school directors and they were given their seats.

Memorial Day.

"My friends approach with reverent tread
Towards this lonely mound.
The soil that drinks a brave man's blood
Is always holy ground."
To-morrow is the day that the Nation has set apart on which a small portion of the honor due may be paid to those who preserved it.
We see among us every day some feeble old men and note the bronze badges on their breasts and we know they briefly epitomize events that stir the blood as swiftly as the romantic adventures of the ancient crusaders.
We know, too, that in a very brief period of time their wearers will join the immortals who muster on "fame's eternal camping ground." To-morrow the dim eyes of these old men will brighten, their heart's blood thrill and throb with emotion when hearing the crash and swell of music, the steady tramp, tramp, tramp of the multitude as with flags and flowers it marches to some cemetery to pay an annual tribute to those gone on before. The day should be hallowed. If the Nation is to live we must honor the memory of its preservers.
There is peace in the May-laden grace of the hours
That come when the day's work is done.
There is peace with the nameless who under the flowers,
Lie asleep in the slant of the sun.
Beat the taps, blow out lights, silence all sound,
There's a ride-pit strength in the grave.

They sleep well who sleep, be they crowned or uncrowned,
And death shall be kind to the brave

The perfect cut of the upper leather of the Emerson permits of no flaring edge. That is why it is called "The Shoe that Fits the Ankle."

You Can Easily Operate This Typewriter Yourself

Don't worry your correspondent. Don't write him anything by hand that takes him time to make out—let him leave him in the hands of the typewriter. And don't fill out all papers or card memos or make out accounts or hotel menus in your own handwriting. It looks best, reflects on your standing, makes people think you can't afford a stenographer, and is sometimes ambiguous. You can write out your letters—make out a statement—in an insurance policy—enter your card memos—make out your accounts or hotel menus—or do any kind of writing you need on any kind, size or thickness of paper, and space any way you want on

The OLIVER Typewriter

You can write any of these things if you do not happen to have a stenographer. For you can easily learn with a little practice to write just as rapidly and as perfectly as an expert operator on the OLIVER. Because the OLIVER is the simplest typewriter, and you can see every word you write. About 50 per cent. more durable than any other typewriter, because it has about 80 per cent. less wearing points than any other typewriter. 50 per cent. easier to write with than these other complicated, intricate machines that require "humorous" technical knowledge—long practice and special skill to operate. Then machines which cannot be adjusted to any special space with which it is impossible to write abstracts, insurance policies, or odd-size documents except you buy expensive special attachments requiring expert to operate. You can adjust the OLIVER to any reasonable space—you can write on any reasonable size and thickness of paper, right out to the very edge, without the aid of any expensive attachments or special skill, and your work will be neat, appearing, legible and clear. For the OLIVER is the typewriter for the doctor, the lawyer, the insurance agent, the merchant, the hotel proprietor—or any man who does his own writing. With the new Oliver Typewriter pocket on the simplified features of the OLIVER.

The Proof of the Pudding

Nearly all fire insurance policies are dressed alike. They are mostly gaily lithographed fellows filled with many "sore says" and "hereinafters." They all promise you the same thing—protection. The proof that the promise is protection lies in the past record and present condition of the issuing company. Our policies are backed by companies that have been tried and proven.

Making More Than a Living

Nearly every man who works steadily makes more than a living. During these slow times the men who have saved something appreciate what it is to have something laid away for a rainy day. A few cents a day soon counts up, and when savings are placed in a bank at a tidy interest the sum soon grows to proportions that make it a safeguard against want when work is not plentiful. Figure up how much more than a living you are making now, and place the difference in this bank. Four per cent. interest paid in savings department.

TIME TO ACT
Don't Wait for the Fatal Stages of Kidney Trouble. Profit by Charleroi People's Experiences

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Charleroi prove the effectiveness of this great kidney remedy.

Mrs. B. E. Ray, living at 121 Prospect Ave., Charleroi, Pa., says: "Some time ago my husband contracted a severe cold, which together with hard work caused his kidneys to become deranged. He was in poor health for some time and suffered dreadfully on account of pains in his back. There was a constant dull, heavy pain across his kidneys that made it almost impossible for him to get up or down, and the action of the kidneys was very irregular. When we learned of Doan's Kidney Pills, he sent to Piper Bros. Drug Store, and obtained a box. After using this remedy only a few days he noticed a decided improvement. He continued with Doan's Kidney Pills and in a short time the trouble entirely disappeared. He has had no return of the trouble and is grateful to Doan's Kidney Pills."

NEW FRUIT LINE

BETWEEN SAVANNAH, CUBA AND PORTO RICO PORTS

THE CUBAN COMMERCIAL CO. Capital \$3,000,000. Shares \$10.00 per value

Fruits and vegetables direct from the plantation in Cuba to Chicago in 72 hours. This is what this new line will do in the near future. Buying on its own account, selling on commission and carrying freight for others will tax the capacity of each ship every trip. Thousands of dollars worth of choice fruits and vegetables have been wasted every year in Cuba and Porto Rico for want of transportation facilities to bring the stuff to market. Pine apples could be had at about two cents a piece and other fruit and truck at corresponding prices.

A profit of 100 to 500 per cent. is the common thing. With the inception of this line there will be an increased production by the small growers whose orders also for American goods must be taken into consideration.

The Line is assured of satisfactory freights each way every trip. The Company's steamships will be modern, up-to-date, equipped with cold storage and ample accommodation for passengers. Winter tourists will find this a very popular cruise. Connecting traffic arrangements will be made with the Southern Railway and the Louisville and Nashville Railroad at Savannah for points north and west and similar arrangements with the Cuban Railroad at Antilla for all interior Cuban points. The Company has under option a tract of 5,000 acres of fine land in Cuba upon which will be founded a model American colony; and this land will soon be thrown open to the public for this purpose. Purchasers of stock will be given an opportunity to exchange stock for land if they desire.

The affairs of the Company are in the hands of an Executive Committee composed of experienced and capable business men of great enterprise and energy. The freight business will be taken care of by one of the best known transportation men in the country. Each ship will carry a special representative of the Company who will have full power to enter into and carry out contracts and to personally supervise the service extended to passengers, thus assuring both their safety and comfort. The Company's agents will be found in all the smaller, as well as the larger ports of Cuba and Porto Rico, whose duties it will be to secure business both ways in taking orders for American goods and in buying or contracting for fruits and garden truck for shipment north.

Positions will be open for a great number of good men, and naturally stockholders of the company will be given preference where such positions are created or vacancies occur.

MANAGEMENT

YOUR OPPORTUNITY

To enable the management to carry out these plans as above outlined the full paid and non-assessable Treasury Stock of the company is now offered for public subscription as follows:

10,000 SHARES (PAR VALUE \$10.00) WILL BE SOLD AT \$3.00 PER SHARE—GOOD UNTIL JUNE 1st, ONLY

AFTER JUNE 1st ANOTHER 10,000 SHARES WILL BE OFFERED AT \$3.00 PER SHARE—GOOD UNTIL AUGUST 1st, ONLY. at which time the price will be advanced to \$4.00 per share; and as fast as the money can be judiciously invested further offerings will be made, but always at an ADVANCE OF ONE DOLLAR per share over the previous offering up to \$10.00 per share.

The stock will eventually be listed upon the different Exchanges, but not until it sells at \$10.00 per share, which will probably be within one year.

500 per cent. ADVANCE

Buyers of the stock at \$3.00 per share will be able to secure 500 per cent. profit on their investment when the stock sells at \$10.00 per share. The company should earn and pay 25 per cent. dividends at that time.

Remember all Fruit Companies pay, especially Fruit and Transportation Companies, and with its excellent management and its opportunities this should be no exception.

ADVANCE CERTAIN JUNE 1st

The stock will positively advance in price to \$10.00 per share on June 1st. Not a share will be sold after that date below \$5.00 per share.

Orders or reservations for stock must reach the company before that date, and as this allotment is limited to 10,000 shares, the company reserves the right to reject and return all orders in excess of that amount at \$3.00 per share. Quick action only will assure acceptance.

Special inducements will be offered to those engaged in the Fruit and Vegetable business as also to colonists and planters in Cuba and Porto Rico.

No order for less than 5 shares will be accepted.

No enterprise of modern times presents such an opportunity for speculative investment. The company has a great future before it and to far-seeing business men and women the present price of \$3.00 per share for this stock should look like a rare bargain.

NATURAL GAS NEAR MILL RUN

Uniontown May 29—It is reported that a flow of natural gas has been found on the farm of J. C. O'Donnell, by the Uniontown Herald, near Mill Run. A hissing noise coming from the earth a few days ago, it is said, attracted the attention of a man and several boys. They procured a bucket of water and threw it in the fissure with the result that the water was driven back by the pressure. A fence has been erected around the fissure in the earth and a warning sign placed on the fence. It is feared that some vandals may fire the gas flow.

MADE FORTUNE OIL INVESTMENT

Pittsburg, May 28.—Buying oil property three years ago, making the production pay for it since that time and then selling out for \$1,250,000, all of which is "net," is the history of an investment made by M. C. Treat of Washington, Pa., George W. Crawford, of Pittsburg, and E. M. Treat, also of this city. In fact, the investors have done even better than that; they have reserved two big gas plants in the property.

SCHOOL PICNIC AT ELDORA PARK WAS HUGE SUCCESS

If there is any one day in the year that appeals to the heart of the average Charleroi school boy or girl, it is School Picnic day at Eldora Park. This event is looked forward to and hailed with delight after nine months of hard study and final examinations. Yesterday was the third annual event pulled off for the Charleroi public schools by the merchants and business men of Charleroi and if anything the crowning event in that direction. The day was an ideal one for a picnic and the arrangements in charge had everything almost perfect. Each child was given a free ride on the merry-go-round and roller coaster. There were refreshments in abundance.

Among the sports the spelling contest excited much interest. Miss Helen Greeley and Miss Edith Crill being the last two to start up together out of a class of some 30. The races were the features of the day. Each and everyone proved most interesting and some good records were made. In the blindfolded race a boy was hurt at the start off by a fall, and it was declared off, a hopping race being substituted instead. For comedy that can not be beaten on the

Keith and Procter circuit, the big contest by the boys was the star event.

The winners of the different events follow:

Boy's 100 Yard Dash, 1st prize \$1.00, 2nd prize 50c, Won by James Jones; second, William Mahoney.

Boy's Sack Race, First prize 75c, second prize 50c, won by James Gass; 2nd Richard Gass.

Girls Race, under eight years, 1st prize 50c, 2nd prize 25c, won by Caroline Smallhark; 2nd, Alberta Johnson.

UMPIRE GIBBS MOBBED

Clarksburg, W. Va. May 28.—Umpire Gibb was mobbed and assaulted by a crowd of fans angered over what they claimed was a rank decision at

between Charleroi and Clarksburg baseball fans at Union park. The angry one gathered at the gate as the crowd filed out and when Gibb came out a number jumped upon him, one man striking him a severe blow in the face.

Gibb ran to a waiting street car not far distant, while the mob surged around and showered him with blows. When he got to the street car Deputy Sheriff Jack Nix took charge of him, and standing between the umpire and the mob, warding off further assaults.

Gibb was painfully but not seriously hurt. There was a panic among the crowd which included many women when the mobbing took place, but none was injured. The decision that angered the spectators was made in the fifth inning F. Dawson hit into right, his brother sacrificed him to a end and McAvoy knuckled out the pitcher, who pegged to third to get F. Dawson. Third baseman dropped the ball and the umpire declared the runner out, but fans howled that he was safe by a mile. The crowd surged out into the diamond, and after a protracted wrangle in which McAvoy was ordered from the game, playing was resumed. Bob Conway got to first on an error and the anger of the crowd increased. In the first errors and two bases on balls resulted in five runs. Another was added in the sixth. Nally hit for two bases and scored on a hit by Willie Clarksburg scored twice in the second on hard hits and good base running. In the fourth they added two more in the same way. In the fifth McIlvaine was released by Humphries.

LAW MUST BE INTERPRETED

Justices of the Peace Have Been Allowing Jurors \$2.50 Per Day

CASE NOW IN COURT

A recent act of assembly that is causing much trouble among the justice of the peace in the county and one that will likely reach the courts for

decision is that of allowing jurors \$2.50 per day and witnesses \$1.50 per day. The act which was passed June, 1907, reads as follows:

"That from and after the first day of July, A. D. 1907, the pay of jurors in this commonwealth shall be \$2.50 and the pay of witnesses shall be \$1.50 and per diem together with mileage as it is now provided for by law."

Many of the justices in the county have construed this law as referring to the holding of jury trials before them and as a result have been paying their jurors when a jury trial is held \$2.50 per day and their witnesses \$1.00 per day. Recently the question arose as to whether this was legal. A case from Monongahela is now before the public and it is expected that it will be fought through, with the intention of finding whether it is legal for the justices to allow their jurymen that amount for the day. Heretofore the justices have been allowing the jurymen \$1 per day and the witnesses 50 cents per day.

The matter has been referred to the courts and County Solicitor Brownson will be called upon to give his opinion on the matter.

It is believed by many who are well posted on the point of law that the justices have been overstepping their bounds in allowing the \$2.50 per day and it is thought that Solicitor Brownson will report that the jurymen of all justices and aldermen shall receive \$1 per day and witnesses at 50 cents per day. It is understood that the pay of jurymen and witnesses in a trial before justices and aldermen is adjusted under a special act which applies to this county and that the recent act of assembly allowing the \$2.50 per day is a general law.

Twelve physicians of Belle Vernon, Charleroi, Monessen and Fayette City were Wednesday evening elected to the staff of the Miners and Mill Workers General Hospital of the Monongahela Valley. The hospital is to be built on a site already selected in Belle Vernon, and maintained by the workers of the valley. The staff, as elected consists of three physicians from Charleroi, five from Belle Vernon three from Monessen and one from Fayette City as follows: Drs. N. B. Lowman, G. E. Nickel, G. T. Crossbie, A. J. Marston and J. W. Gordon of Belle Vernon; O. J. Keger, A. R. Wilson and H. W. Day, Monessen; J. C. Enos, H. J. Kepman and Edwin McKay, Charleroi; G. F. Tucker, Fayette City.

Dr. H. C. Daly of Gibsonton is president of the association; Dr. H. J. Repman of Charleroi, vice president; Dr. E. C. Phillip, secretary, and J. B. Cunningham, treasurer.

Plans for the hospital will be prepared by Edward J. Carlisle of Pittsburgh. Dr. B. Lowman, Dr. H. J. Repman, Dr. G. E. Nickel, F. H. Steen and William Kelly were appointed as a committee to visit other hospitals in Western Pennsylvania.

Plans are to be made for a 100-bed hospital, arranged in two wings. A building sufficient to accommodate only half that number will be erected at this time. The site is 180x220. Ground will be broken inside of two months.

ANOTHER ARREST FOR SELLING BEER

Uniontown, May 28.—County Detective Alex. McBeth has made information against Andy Aundres and George Comp charging them with the illegal sale of liquor in Fayette county. It is alleged that the two men operate a ferry boat at Brownsville and that they represent the Moose Brewing Company in Washington county, and that they have been disposing of goods in Fayette county without a license. DIVED TO DEATH AT MCKEESPORT

"Here goes to the bottom," said John Thompson of McKeesport yesterday afternoon while swimming at Dravestown. He leaped into the water and did not come up. Companions became alarmed after a minute had elapsed and they soon realized that Thompson had taken his last dive.

He was 19 years old and a son of "Jack" Thompson, former lieutenant of police of McKeesport. He was an expert swimmer and it is believed his head struck a rock at the bottom of the river. The body was recovered.

JURY FINDS VERDICT FOR LAZZARI IN \$2,000 SUIT

The jury in the Daniel Lazzari case an action to recover a \$2,000 promissory note, agreed on a verdict this morning after an all-night session, which was opened in court at 9:00 o'clock this morning. The jury retired yesterday afternoon and was unable to reach an agreement until an early hour this morning, when they found in favor of Mr. Lazzari, who was the defendant in the case. The finding of the jury were at once telephoned to Mr. Lazzari, and he was the recipient of many congratulations on the part of friends in this city. The history of the case has been told, referring as it does to the existence of a note for \$2,000, which Mr. Lazzari alleged was a forgery. He brought an action against Daniel on this charge, but the jury did not con-

vict the man. Daniel then brought suit against Lazzari to recover the face of the note, with interest. The case went to trial Monday afternoon and occupied the attention of the court until yesterday afternoon, when it was given to the jury.

The result of the suit not only gratifies Mr. Lazzari, but his many friends in this city, who have known him as honorable in all his dealings. Mr. Lazzari has been in business in this city for several years, both as a wholesale and retail grocer, and now a hotel keeper, in which he has attained a reputation for honorable and fair dealing, and his friends were loath to believe any such charge was brought against him. The verdict of the jury, therefore, gives them such satisfaction.

POLITENESS PAYS \$3,000 REWARD

Greensburg, Pa., May 28.—Charles Thomas, 10 years ago a policeman here, has received word that a wealthy Westerner has left him \$3000.

In October, 1898, Thomas, on night duty as an officer, was called to the Pennsylvania station to arrest a cowboy who had run amuck on a passenger train. Thomas disarmed the man and locked him up. Both men were Knights of Pythias and the prisoner was accorded considerate treatment. The next day the cowboy was discharged.

John Farley was the Westerner, and he never forgot the kindness of the Greensburg officer. Today there came a letter from Guthrie, Okla., announcing the death of Farley and the fact that he had left a legacy to the Greensburg man. Thomas will invest the money in a track farm.

PATRIOTIC SULLIVAN'S SOUND SENTIMENT

McKeesport, May 29.—The custom of making patriotic parades vehicle for advertising purposes has been dealt a knockout blow by the American Veterans of Foreign service, McKeesport.

The veterans will not be followed nor led by an individual carrying a banner proclaiming the virtues of certain brand of soap, nor telling where the cheapest meal in the city can be obtained.

"It is an insult to the men who fought for their country," declare James Sullivan, one of the veterans, "and if I discover any advertising banner being carried in the Memorial day parade I will promptly destroy it."

"Some persons would carry advertising banners after a funeral. The advertising banner has got to be eliminated from our patriotic parades."

SCHOOL BOARDS MAY HAVE TROUBLE ORGANIZING FIRST OF JUNE

That some trouble will be experienced in the organization of the school boards the first Monday in June is made evident by the fact that a number of school directors in various parts of the county have not as yet filed any expense account. It is understood that in some sections where the election of school directors was very warmly contested some trouble may arise. The law in reference to the filing of the expense account, which is taken from section seven of the act of 1906 is as follows:

Memorial Day.

"My friends approach with reverent tread
Towards this lonely mound.
The soil that drinks a brave man's blood
Is always holy ground."

To-morrow is the day that the Nation has set apart on which a small portion of the honor due may be paid to those who preserved it.

We see among us every day some feeble old men and note the bronze badges on their breasts and we know they briefly epitomize events that stir the blood as swiftly as the romantic adventures of the ancient crusaders.

We know, too, that in a very brief period of time their wearers will join the immortals who muster on "fame's eternal camping ground." To-morrow the dim eyes of these old men will brighten, their heart's blood thrill and throb with emotion when hearing the crash and swell of music, the steady tramp, tramp, tramp of the multitude as with flags and flowers it marches to some cemetery to pay an annual tribute to those gone on before.

The day should be hallowed. If the Nation is to live we must honor the memory of its preservers.

There is peace in the May-laden grace of the hours
That come when the day's work is done.

There is peace with the nameless who under the flowers
Lie asleep in the slant of the sun.

Beat the taps, blow out lights, silence all sound.
There's a rifle-pit strength in the grave.

They sleep well who sleep, by they crowned or uncrowned,
And death shall be kind to the brave

NATURAL GAS NEAR MILL RUN

Uniontown May 29—It is reported that a flow of natural gas has been found on the farm of J. C. O'Donnell, by the Uniontown Herald, near Mill Run. A hissing noise coming from the earth a few days ago, it is said, attracted the attention of a man and several boys. They procured a bucket of water and threw it in the fissure with the result that the water was driven back by the pressure. A fence has been erected around the fissure in the earth and a warning sign placed on the fence. It is feared that some vandals may fire the gas flow.

MADE FORTUNE OIL INVESTMENT

Pittsburg, May 28.—Buying oil property three years ago, making the production pay for it since that time and then selling out for \$1,250,000, all of which is "net," is the history of an investment made by M. C. Treat, of Washington, Pa., George W. Crawford, of Pittsburg, and E. M. Treat, also of this city. In fact, the investors have done even better than that; they have reserved two big gas plants in the property.

TIME TO ACT

Don't Wait for the Fatal Stage of Kidney Trouble. Prescribed by Charleroi.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Charleroi prove the effectiveness of this great kidney remedy.

Mrs. B. E. Ray, living at 121 Prospect Ave., Charleroi, Pa., says: "Some time ago my husband contracted a severe cold, which together with hard work caused his kidneys to become diseased. He was in 'poor health' for some time and suffered dreadfully on account of pains in his back. There was a constant dull, heavy pain across his kidneys that made it almost impossible for him to get up or down, and the action of the kidneys was very irregular. He was sent to Piper Bros. Drug Store and obtained a box. After using this remedy only a few days he noticed a decided improvement. He continued with Doan's Kidney Pills and in a short time the trouble entirely disappeared. He has had no return of the trouble and is grateful to Doan's Kidney Pills."

For sale by all dealers. Price 50c. Foster-McClellan Co., Buffalo, N. Y. Sole Agents for the United States. Remember the name—Doan's—and take no other.

NEW FRUIT LINE BETWEEN SAVANNAH, CUBA AND PORTO RICO PORTS THE CUBAN COMMERCIAL CO.

Capital \$3,000,000. Shares \$10.00 per value.

Fruits and vegetables direct from the plantation in Cuba to Chicago in 72 hours. This is what this new line will do in the near future. Buying on its own account, selling on commission and carrying freight for others will tax the capacity of each ship every trip. Thousands of dollars worth of choice fruits and vegetables have been wasted every year in Cuba and Porto Rico for want of transportation facilities to bring the stuff to market. Fine apples could be had at about two cents apiece and other fruit and truck corresponding prices.

A profit of 10 to 50 per cent. is the common thing. With the inception of this line there will be an increased production by the small growers whose orders also for American goods must be taken into consideration.

The line is assured of satisfactory freights each way every trip. The Company's steamships will be modern, up-to-date, equipped with cold storage and ample accommodation for passengers. Winter tourists will find this a very popular cruise.

Connecting traffic arrangements will be made with the Southern Railway and the Norfolk and Western Railroad at Savannah for points north and west and similar arrangements with the Cuban Railroad at Anziles for all interior Cuban points.

The Company has under option a tract of 500 acres of fine land in Cuba upon which will be founded a model American colony and this land will soon be thrown open to the public for this purpose. Purchasers of stock will be given an opportunity to exchange stock for land if they desire.

MANAGEMENT

The affairs of the Company are in the hands of an Executive Committee composed of experienced and capable business men of great enterprise and energy.

The freight business will be taken care of by one of the best known transportation men in the country.

Each ship will carry a special representative of the Company who will have full power to enter into and carry out contracts to personally supervise the service extended to passengers, thus assuring both their safety and comfort.

The Company's agents will be found in all the smaller, as well as the larger ports of Cuba and Porto Rico, whose duties it will be to secure business both ways in taking orders for American goods and in buying or contracting for fruits and garden truck for shipment north.

Positions will be open for a great number of good men, and naturally stockholders of the company will be given preference with such positions are created or vacancies occur.

YOUR OPPORTUNITY

To enable the management to carry out these plans as above outlined the full paid and non-assessable Treasury Stock of company is now offered for public subscription as follows:

10,000 SHARES (PAR VALUE \$10.00) WILL BE SOLD AT \$2.00 PER SHARE—GOOD UNTIL JUNE 1st, ONLY

AFTER JUNE 1st ANOTHER 10,000 SHARES WILL BE OFFERED AT \$3.00 PER SHARE—GOOD UNTIL AUGUST 1st, ONLY. at which time the price will be advanced to \$4.00 per share; and as fast as the money can be judiciously raised further offerings will be made, but always at an ADVANCE OF ONE DOLLAR per share over the previous offering up to \$10.00 share.

The stock will eventually be listed upon the different Exchanges, but not until it sells at \$10.00 per share, which will probably within one year.

500 per cent. ADVANCE

Buyers of the stock at \$2.00 per share will be able to secure 500 per cent. profit on their investment when the stock sells at \$10 per share. The company should earn and pay 25 per cent. dividends at that time.

Remember all Fruit Companies pay, especially Fruit and Transportation Companies, and with its excellent management its opportunities this should be no exception.

ADVANCE CERTAIN JUNE 1st

The stock will positively advance in price to \$5.00 per share on June 1st. Not a share will be sold after that date below \$5.00 share.

Orders or reservations for stock must reach the company before that date, and as this allotment is limited to 10,000 shares, company reserves the right to reject and return all orders in excess of that amount at \$2.00 per share. Quick action only will be acceptance.

Special inducements will be offered to those engaged in the Fruit and Vegetable business as also to colonists and planter Cuba and Porto Rico.

No order for less than 5 shares will be accepted.

No enterprise of modern times presents such an opportunity for speculative investment. The company has a great future before it and to far-seeing business men and women the present price of \$2.00 per share for this stock should look like a rare bargain.

Start Early in Life to Save

It is generally regretted by old men that they did not start to save when
they were young. It brings to their memory the recollection of
thousands of dollars that could have been saved instead of wasted, if they had
deposited even a small amount in the Bank each week.
Young men and young women, now is the time to save—now is just the time
to open an account with the Charleroi Savings & Trust Company and make reg-
ular deposits. Then in later years you will look back with joyful recollection
and genuine satisfaction.
